
KING OF KOOLERS
KING OF KOOLERS
KING OF
KING OF
THE FUTURE OF PORTABLE COOLING
“REIGN SUPREME. STAY COOL.”

WHY THE WORLD NEEDS A BETTER COOLER

- Existing coolers are bulky, inefficient, or limited in use.
- No modular system that adapts to different scenarios.
- Subpar insulation, poor mobility, and lack of features.
- Consumers juggling multiple cooler types for different purposes.
- Square shape causes an rapid loss of temperature.

THE KING OF KOOLERS ADVANTAGE

- Patent-pending modular stackable system.
- Food-safe, insulated, leak-proof containers.
- Customizable use: drink cooler, dry storage, or dispenser.
- Solar-powered top option and optional Storage accessories.

BUILT FOR ADVENTURE & UTILITY

- BPA-Free, UV-Resistant Materials
- Pressure-fit lids & double-wall insulation
- Easy-carry handles, optional wheels & spigots
- Each cooler holds up to 80 cans (2ft diameter)

ONE COOLER, ENDLESS POSSIBILITIES

- Stack up to 4 containers vertically
- Lids lock securely for transport
- Customize with drink cooler, snack box, or handwash station
- Accessories attach easily

TAPPING INTO A BOOMING INDUSTRY

- $1.2B global cooler market, growing 6% annually
- Outdoor recreation booming post-COVID
- Untapped opportunity in stackable + modular systems
- Ideal for retail, DTC, and licensing

OUTDOOR ENTHUSIASTS TO TAILGATE TITANS

- Campers & hikers
- Sports fans & tailgaters
- Emergency preppers & event planners
- Families, overlanders, road trippers

WHERE WE WIN

- Comparison vs. Yeti, Igloo, and others
- Only King of Koolers offers modular stackable design
- Competitive on features and uniqueness

SMART, SUSTAINABLE, SCALABLE

- Designed for rotational or injection molding
- Stackable for shipping & display
- Parts designed for minimal waste
- Optional Lid solar integration

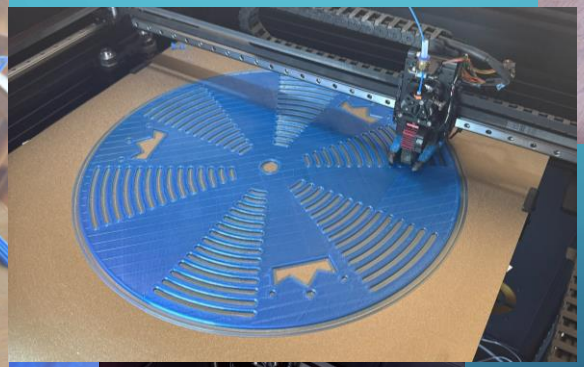

What We've Built So Far

- 3D prototypes completed
- Brand + packaging design underway
- Social media following growing organically
- Testing with real campers and tailgaters

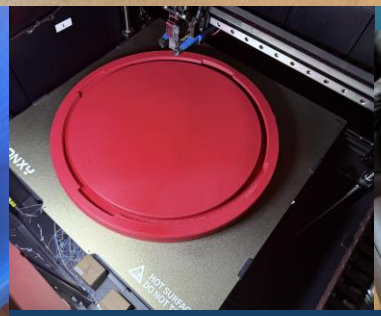

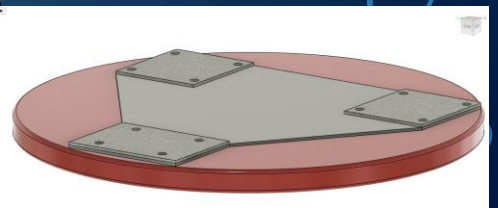

WHERE AND HOW WE'LL SELL

- Online Direct-to-Consumer (Shopify, Amazon)
- Sporting goods & camping retailers
- Tailgating & outdoor trade shows
- Potential licensing with major brands
